STUDENT HOMESTAY AGREEMENT

1. Students will be provided with a room with a separate bed for each student, adequate space for storage of personal belongings and a study area.
2. Lunches will be provided on school days in the SCHS cafeteria. All other meals will be provided by the host family. Students are expected to eat with the host family unless other arrangements are mutually agreed upon.
3. Students are expected to conform to the normal rules of host family's life and to contribute to the routine operation of the household. For example, expectations of the host family regarding permission to use the telephone, television, or other daily routines should be made clear as soon as possible.
4. Students are encouraged to participate in host family and school activities and to attend church regularly.
5. Make it clear how you would like to be addressed and spend time with your host family so you can become better acquainted.
6. Be sure to ask permission before making plans to leave the home or to invite someone into the home. Tell the host parents where you are going, how you will get there, who you will be with, and when you will be back. Permission may be denied for concern for your safety or conflict with family plans.
7. In addition to the financial consideration details outlined in the SCHS School Information Handbook, students are responsible for their own spending money, long distance phone calls, personal items, and any costs incurred while participating in family activities.
8. Students' parents will provide the host family with a Medical Release form. This enables the host family to make decisions regarding the health and welfare of the student in an emergency. All SCHS students must carry accident insurance. In addition, international students must carry private health insurance.
9. As an international student in Canada on a student visa, you may not use alcohol or illegal drugs. Immigration Canada does not permit you to take a paying job in Canada. Other student regulations for all SCHS students can be found in the SCHS School Information Handbook.
10. The SCHS Principal may be contacted anytime difficulties or misunderstandings occur. Ask questions, be open and be considerate to ensure your experience is memorable.
11. Host families will discipline students as they would their own children, although abusive discipline cannot be tolerated. If misbehaviour cannot be corrected with the host family, the SCHS Principal will be notified. Continued violations may eventually affect the student's enrolment at SCHS.
12. The host family will not be held responsible for damage or loss of property or physical harm incurred except in the case where Canadian law has been breached.
