Information provided in this form will be used only in requesting your services at SCHS as a volunteer.

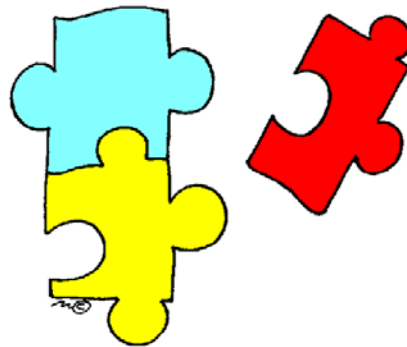

Volunteers are very important to SCHS.

Volunteers enable our school to significantly extend services to our students and to enhance our programs and extracurricular activities. You help to free up staff to focus on classroom teaching. We are endeavoring to expand and streamline our volunteer base.

Do not be discouraged if you are not called upon for everything you check off. Your area of expertise will be in our file as a resource for our staff and PAC throughout the year.

Thank-you

You are an important piece of the puzzle

Volunteers

Please consider the following opportunities to get involved as a volunteer at SCHS.

The amount of time you are able to give is up to you (*any time will be appreciated*).

Return this form to the school as soon as possible.
